4. Comprehensive Warranty/ guarantee (including repairs and replacement) for all items/ goods supplied shall be as detailed and mentioned in technical specifications and scope of work.

This Comprehensive warranty/guarantee shall remain valid till warranty period mentioned in technical specification after the Goods have been delivered at site, installed and the system successfully tested, commissioned and accepted by the Purchaser.

Any complaint during this warranty/ guarantee shall be attended to within 24 hours by the bidder at no cost. Upon receipt of such notice or complain, the Supplier shall, with all reasonable speed, repair or replace the defective Goods or parts thereof, without costs to the Purchaser. If the Supplier, having been notified, fails to remedy the defect(s) within a reasonable period, the Purchaser may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

The bidder warrants that the goods and equipment, supplied, installed and commissioned under the Contract are new, unused, of the most recent or current models and incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The supplier further warrants that the goods supplied under this Contract shall have no defect arising from design, materials or workmanship (except insofar as the design or material is required by the Purchaser's Specifications) or from any act or omission of the Supplier, that may develop under normal use of the supplied Goods in the conditions obtaining in the country of final destination.

The Supplier also guarantees that the Goods supplied shall perform satisfactorily as per the designed/ rated/ installed capacity as provided for in the Contract.

The Supplier shall guarantee the complete installation for satisfactory performance for a minimum period mentioned in technical specifications from the date of commissioning. Any

Defect arising out of faulty installation or use of substandard material or workmanship shall be rectified by the Supplier at his own cost.

**Please Note:**

- Initial acceptance of goods is not the final acceptance of quality.
  - In case materials are found substandard at our union., on receipt of the same Halar Dairy reserves the right to reject the material out rightly. Labor Charges, if any will also be recovered from the bidder. Halar Dairy reserves the right to send your material for testing at any laboratory of our choice and in case the result is found unsatisfactory, it also reserves the right to take any action as deemed fit.
  - Supplier's warranty certification should be provided as per warranty / guarantee mentioned herewith along with operational & maintenance manual in local languages i.e. Gujarati & also English languages.
5. Inspection and Tests: The Purchaser or its representative shall have the right to inspect and/or test the Goods to confirm their conformity to the Contract. The inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at point of delivery and/or at the Good's final destination.
- Should any inspected or tested Goods fail to conform to the Specifications, the Purchaser may reject them and the Supplier shall either replace the rejected Goods or make all alterations necessary to meet specification requirements free of cost to the Purchaser.
- The Purchaser's right to inspect, test, and where necessary, reject the Goods after the Goods arrival at the destination shall in no way be limited or waived by reason of the Goods having previously been inspected, tested and passed by the Purchaser or its representative prior to Goods shipment.
6. Supplier will be responsible to organize pre-visit of the site before initiation of any supply and also will be required to submit a detailed report regarding the readiness of the site.
7. Storage of Equipment: The Supplier shall be responsible for the proper storage and maintenance of all materials/ equipment under Supplier's custody. Supplier shall take all required steps to carry out frequent inspection of equipment/ materials stored as well as erected equipment until the same are taken over by the Purchaser.
8. Testing and Commissioning: The Supplier shall operate, maintain and give satisfactory trial run of the equipment satisfactorily for a maximum period as mutually agreed by supplier/ purchaser/ owner of the equipment at the rated output. All rectification of damages/ defects and routine trouble shooting should be carried out by the Supplier.
- During this period, Supplier shall incorporate/ execute necessary minor modifications

During the trial period for maximizing operational efficiency. The Supplier should also execute minor modifications as may be suggested by the manufacturer/ Owner. The supplier shall suggest recommended log sheet Performa for recording necessary operating data and pass it on to the Owner in proof of satisfactory rated output and performance of the equipment.

The Supplier shall demonstrate proper working of all mechanical and electrical controls, safety and protective devices, in presence of the Owner's engineer and the same should be duly recorded.

After conducting testing, in case particular equipment is not working properly or not giving rated output the Supplier will furnish a detailed report to the Owner stating therein the detailed account of the performance of the equipment with possible reasons for improper or not working of the same.

Further, before the commencement of testing or commissioning, the Owner reserves the right to invite the original manufacturer's representative at the cost of the Suppliers for start-up help, assist and guide the Supplier during commissioning in any of following cases:

- a. The Supplier has no previous experience of commissioning and start-up of the similar equipment
- b. The Owner is of the opinion that the Supplier is not capable to commission and start-up of certain specific equipment

However, in either of the cases the manufacturer's representatives would be called with prior information to the Supplier and the Supplier will have to extend all co-operations to such representatives in good spirit and in the interest of the work.

The necessary quantities of consumables, miscellaneous spares etc., required for the installation, commissioning, testing and start-up of all the equipment till handing over are to be supplied to the Supplier and nothing extra would be paid for these.

9. Cleaning of Site: All soils, filth or other matters of an offensive nature taken out of any trench, drain or other places shall not be deposited on the surfaces, but shall at once be carted away by the Supplier from the site of work for proper disposal.

The Supplier shall not store or place the equipment, materials or erection tools on the drive ways and passages and shall take care that his work in no way restricts or impedes traffic or passage of men and materials during erection, the Supplier shall without any additional payment, at all-time keep the working and storage area used by him free from accumulation of dust or combustible materials, waste materials rubbish packing, wooden planks to avoid fire hazards and hindrance to other works.

If the Supplier fails to comply with these requirements in spite of written instructions from the Owner, the Owner will proceed to clear these areas and the expenses incurred by the

Owner in this regard shall be payable by the Supplier. Before completion of the work, the supplier shall remove or dispose of in a satisfactory manner all scaffolding, temporary structures, waste and debris and leave the premises in a condition satisfactory to the Owner. Any packing materials received with the equipment shall remain as the property of the owner at the completion of his work and before final payment; the Supplier shall remove and shall restore the site to neat workmanlike conditions at his cost.

10. Risk Purchase: In case of delayed supplies/ erection/ commissioning, purchase/ execution of work may be completed at the risk, cost and responsibility of the supplier after expiry of scheduled date without any notice. Extra amount spent on Risk Purchase/ completion of work shall be adjusted against the earnest money/ pending payments or the same shall be recovered from your firm.

We will reserve the right to effect risk purchase/ execution of the work in case of non-fulfillment of any of various terms and conditions of the contract by the supplier at his risk & cost.

11. Import license and foreign exchange variation: No import license shall be provided by the JAMNAGAR DAIRY for goods offered against this bid. Necessary clearances/ licenses from the concerned Authorities for any imported goods/items offered shall be obtained by the bidder at his cost & responsibility.

Non-availability of or delay in obtaining license/ clearance shall not, under any circumstances, entitle the bidder to seek any compensation/relaxation under the contract and/or relieve the bidder from any of his obligations under the contract. Foreign Exchange, Duties etc. variation, if any, shall also be to the account of the bidder and no price escalation will be given.

12. Maintaining ethical standards in business: Since supply of ordered material shall be directly to the BMCU based on the strength of our Supply Order (S.O.), it is highly necessary for the suppliers to ensure that business ethics are maintained at the highest degree with Our Union. In no case we will be able to tolerate any unethical practice by the supplier by way of offering either cash or in kind or compensation in any form either to get the rejected material accepted or to get higher volume of the business than the approved quantity.

By any chance if it comes to our notice that you or any of your employee/ representative/ Agent has tried to initiate such unfair business practices with any of our employee or any of the employee/ decision maker of our Union even with/ without any documentary evidences, the same shall be considered as a cancellation of S.O. and we reserve our right to terminate/suspend the S.O. and the contract during any time without assigning any reason thereof.

13. Insurance: The goods supplied under the contract shall be fully insured against loss or damage incidental to manufacturer or acquisition, transportation, storage and delivery in

the manner specified in the special conditions of contract. If any loss or damage occurs during supply of goods under contract, the supplier shall make arrangements for repair and replacement of any damaged, item/s in stipulated time.

14. Performance Security: Successful bidder shall be required to furnish a performance security in form of Bank Guarantee of 10 % Value of the executed order valid for the entire warranty period from the date of commissioning. In case of failure in submission of appropriate bank guarantee, the same amount will be retained from the supplier's bill. Bank Guarantee should be from any Nationalized Bank having at least one branch at Jamnagar.
  15. For delay in Supply, Installation & Commissioning of goods, a late penalty @ 0.5% per week shall be deducted subject to a maximum of 5 % of the contract price. On further delays order shall be liable to be cancelled. However, our Managing Director can waive off such penalty depending upon the reasons for delay.
  16. Delivery of Goods: Material shall be delivered at the destination as specified in the Supply Order on any working days (except Sundays & holidays)
  17. Payment Terms will be 100 % after a satisfactory report from BMCU. However, in case of non-submission of appropriate Bank Guarantee, equivalent amount may be retained from Vendor's Bill.
- Note:** Erection/ commissioning should, however, be completed within 30 days of the receipt of material at site in any case.
18. Validity: Validity of this contract would be one year and the bidder will be liable to execute all Supply Orders issued under this contract during the Validity Period of One year.
  19. Other Commercial Terms and Conditions:
    - a. Invoices will be raised in the name of respective UNION
    - b. Supplier will be required to submit two copies of invoices
    - c. All the taxes will be charged in Invoice
    - d. No Forms will be issued by the Union
    - e. Payment will made by Halar Dudh Dhara Dairy, after the receipt of satisfactory report from the respective BMCU.
    - f. In case of any change in tax rate, the same shall be applicable as per statutory norms
  20. Force Majeure: If any Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for

Performance not prevented by the Force Majeure event.

21. Purchaser's Instructions: The Purchaser may in his absolute discretion, issue from time to time drawings and/ or instructions, directions and clarifications which are collectively referred to as Purchaser's instructions. These instructions will be binding on the supplier.
22. Training of Personnel: Necessary staff as may be deputed by the Owner shall be trained by the Supplier for operating the equipment. The personnel will be associated for the training during the installation, testing, commissioning and start-up period and the training tenure can be extended for a period of one week from the date of commissioning and start-up.
23. Approvals: The Supplier shall obtain all the necessary legal approvals.
24. Jurisdiction: Settlement of any dispute out of the Supply Order/ contract against this bid shall be subject to the courts at Jamnagar only.
25. Data on firm: Please send data on your firm and information in the enclosed Annexure. The tender bid received without above information or with incorrect information may not be considered.
